OPPORTUNITIES FOR NAMING FACILITIES AND ENDOWMENTS

CHAUTAUQUA INSTITUTION • CHAUTAUQUA FOUNDATION, INC

Much of the history of Chautauqua is captured in the names of streets, gardens and buildings – Miller, Lenna, Smith Wilkes, Campbell, Kellogg, Vincent, Gebbie, Oliver and so many more. A hundred years from now, how will people remember who is responsible for passing Chautauqua on to them and their children? By naming a facility, or endowing in perpetuity a program or staff position in honor of yourself or those individuals such as parents or children who are of meaning to you, you help write the history of today. Through such a gift, you sustain and improve the experience of Chautauqua for all the years yet to come.
